Oil and Gas Standard Permit (Non-rule) Effective Date: 11/08/2012

This is in response to your standard permit registration submitted through the online ePermits process for the proposed facility located near Springtown, Parker County. Based on the information submitted and review completed by the ePermits process, this is an acknowledgement that Enbridge G & P (North Texas) L.P. has certified emissions associated with Springtown Gas Processing Plant under the standard permit listed above. For rule information see: [www.tceq.texas.gov/permitting/air/nav/standard.html](http://www.tceq.texas.gov/permitting/air/nav/standard.html). Records must be maintained in accordance to the standard permit to demonstrate compliance.

As a reminder, regardless of the authorization mechanism, all facilities must be in compliance and operate in accordance with all rules and regulations of the TCEQ and the U.S. Environmental Protection Agency. Facilities not operating in accordance with these rules and regulations, in accordance with the authorization, or that misrepresented or failed to fully disclose all relevant facts in obtaining this authorization may be subject to formal enforcement action.

If you need further information or have questions, please contact the Rule Registrations Section at (512) 239-1250 or write to the Texas Commission on Environmental Quality, Office of Air, Air Permits Division, MC-163, P.O. Box 13087, Austin, Texas 78711-3087.

This action is taken under authority delegated by the Executive Director of the TCEQ.

Sincerely,

A handwritten signature in black ink, appearing to read "Samuel Short", followed by a horizontal line.
